-------------------------

# Warranty/service

smart offers you a 2-year warranty. Servicing is minimal and any repairs made are clearly documented in detail in service packages in order to keep the costs as transparent as possible.

## Warranty

On new cars: 2 years with unlimited mileage as well as a 6-year anti-corrosion warranty.

## Roadside assistance

2 years’ smartmove assistance breakdown cover.

## smart service

**Quick.**  
The smart’s modern diagnostic system ensures that any problems are quickly and accurately recognised. The car’s modular construction and smart specific service packages enable your smart to be back on the road as soon as possible.

**Professional.**  
The high efficiency of the smart workshop is assured through highly qualified and professional employees, an unbureaucratic workshop organisation, price and cost transparency, clearly structured processes, and the use of state-of-the-art workshop technology.

**Economical.**  
Short stays in the workshop, favourable servicing and repair costs, state-of-the-art servicing periods and, on top of that, an advantageous insurance rating make the smart a vehicle with extremely low operating costs. This has been confirmed by independent experts.

This price list is applicable exclusively in the United Kingdom. All statements concerning availability of types, standard equipment, prices and legal or tax regulations are valid only for the United Kingdom. We reserve the right to change design features, scope of delivery and prices. (Publication approval date: May 2002.)  
Printed on bleached chlorine-free paper made with 50% recycled paper.
