>> Attractive, practical and an organizational whiz:
The interior.

>> Interior.

> 1 Velour floor mats:

A perfect fit for the footwell, smart logo and silver looped edging are a perfect match for the interior colour scheme. A high-quality and hard-wearing highlight.

> 2 All-weather floor mats:

Made of dirt- and water-resistant rubber, these non-slip mats protect the carpet and are easy to clean. In addition, their shape and design fit perfectly with the interior of the vehicle.

> 3 Glasses compartment:

Ample room for almost all types of glasses – within easy reach of the driver. The compartment has a magnetic closure to prevent glasses from falling out.

> 4 Set of bags for storage compartments:

Clever double function: A cockpit bag for the passenger side for safe storage of CDs, vehicle documentation and MP3 player, with direct access to the smart MP3 interface and

removable shoulder strap for use when out and about. MinMax bag for storage compartment on the driver's side – open the zip to reveal a large shopping bag.

> 5

> 5

> 6

> 7

> 8

> 5 **Cupholder:**

For securely holding two cups, cans or bottles of various sizes. In addition, larger bottles can be held in place with a folding holder beside the centre console.

> 6 **CD holder:**

Safe storage of up to six CDs. The CD holder is located in direct reach of the driver and passenger. Simply unclip it and you can take your CDs with you wherever you go.

> 7 **Smoker's kit:**

Includes an integrated ashtray and cigarette lighter. The ashtray is easy to remove for emptying and cleaning.

> 8 **Rubber mats for storage compartments:**

As well as enhancing the appearance of the vehicle interior, this set of three non-slip rubber mats ensures that small items on the instrument panel (wallet, keys etc.) make no noise and stay right where they are put.

> 9 **Wind deflector:**

Largely eliminates wind turbulence during open-top driving by reducing the air flow in the whole interior. And makes open-top driving a real pleasure, even when outside temperatures are low.

> 10 **Protective divider plus:**

The clever 2-in-1 solution offers flexibility and safety. Thanks to the safety net with integrated luggage compartment cover, you can always make the most of the luggage compartment.

> 11 **Luggage compartment cover**

(retractable incl. net bag): Provides protection from prying eyes and keeps small items securely in the luggage compartment. Thanks to its retractable design, it is simple to fix and can be operated easily with one hand if you want to transport larger items.

The integrated net bag – practical for small items – is located in the passenger compartment, meaning that it is always in easy reach of the driver and passenger.

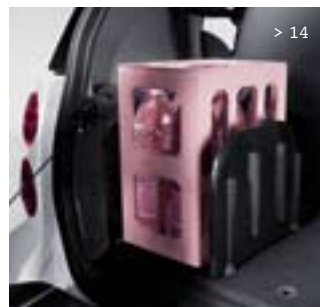

> 12

> 13

> 15

> 14

> 14

> 14

> 16

> 12 **Luggage fastener:**

The foam-filled, elastic nylon snake adapts perfectly to the shape of the luggage and can be secured with a Velcro fastener, ensuring that luggage remains securely in place during braking and cornering.

> 13 **Net set for luggage**

compartment: A net on the side wall and another for the floor of the luggage compartment for quickly securing loose items while keeping them in easy reach.

> 14 **Luggage compartment**

management system: The order of the day. Thanks to the flexible luggage compartment management system with slot-in sections, the luggage compartment can be partitioned as required – shopping can also be secured in place using an elastic strap and a shopping (trolley) bag.

> 15 **Boot tray:**

The waterproof, non-slip material protects the luggage compartment and its lining from wet, dirt and wear. Secured with Velcro fasteners and removable at any time as required.

> 16 **Multifunctional box:**

For a shopping trip or a picnic, the insulated box is just the thing for keeping food and drinks hot or cold. Thanks to its profiled lid, you can even put a drinks crates on top of the box. The luggage compartment can hold two of these boxes at the same time.

>> Sporty, individual and open for all possibilities:
The exterior.

>> Exterior.

> 1

> 2

> 2

> 3

> 1 Cape car cover:

The portable garage for your smart fortwo. The hard-wearing, water-repellent material and the perfect fit combine to protect your smart fortwo from the elements, extreme temperatures and dirt.

> 2 Chrome package:

Small details, big impact: The highly polished chrome door mirror caps, radiator grille and tailgate trim immediately lend your smart fortwo a more elegant appearance.

> 3 Highly polished chrome-plated

fog light rings: For that special shine – even when the skies are clear. As an ideal addition to the chrome package, the fog light rings add the perfect final touch to the look of your smart fortwo.

> 4

> **Basic rack:**

Extremely versatile: Various rack systems can be fitted for transporting different kinds of sporting equipment. Maximum comfort: The rear window can be opened even when the rack is loaded.

> 4 **Bicycle rack:**

(Incl. basic rack). Child's play to fit to the basic rack: Simply insert the bicycle into the rack system and secure it with the lockable frame holder. By adding another bicycle rack, there is also room for a second bicycle.

> 5

> 5 **Ski and snowboard rack:**

(Incl. basic rack). Available separately – but can be combined (as shown), with space for two pairs of skis and a snowboard. On their own, the ski rack holds two pairs of skis and the snowboard rack fits two snowboards.

> 6

> 7

> 6 **smart design sticker:**

Black or silver, horizontal or vertical, one or several numbers – when it comes to making your smart fortwo even more individual, the choice is yours. Easy to apply, non-fading and car-wash proof.

> 7 **bodypanel fresh-up:**

Unique to smart: Treat your smart fortwo to a new exterior colour in no time (all current standard colours available). The bodypanels are exchanged by your local smart center.

>> I enjoy every minute at the wheel. Because everything is at my command:
Audio/telematics & functional/electrical equipment.

>> Audio/telematics.

> 1 BlueTooth hands-free system:

The BlueTooth adapter is a wireless connection of mobile phone and hands-free system, so that there is no need to constantly plug and unplug your phone, and no danger of forgetting it in the

hands-free system. Voice instructions are given via the vehicle's loudspeakers – when calls are made, the volume of the audio system is automatically turned down and then turned up again once the call has ended.

> 2 Telephone console:

Everything in the right place. For securing the smart hands-free system, other mobile phone mountings and even MP3 players. Up to two devices can be secured at the same time, within easy reach of the driver.

> 3 Portable smart navigation

system: The latest device generation system boasts a large, anti-glare touchscreen display with 2D/3D map view. Includes 256 MB memory card and maps of Europe. Voice instructions are given via the vehicle's

loudspeakers; including muting of the radio/CD player during the instructions. Can be connected wirelessly via the car kit (available separately) for seamless integration in the vehicle.

> 4

> 5

> 6

> 7

> 4 **smart MP3 interface:**

For uncompromised flexibility: An easy way to listen to your preferred audio sources, e.g. MP3 player, walkman or discman. Volume and sound can be controlled conveniently via the smart audio system.

> 5 **smart radio 9:**

RDS radio and CD with a full sound. Compatible with smart BlueTooth hands-free system, smart accessories for sound system and portable smart navigation system.

> 6 **smart radio 10:**

Music to your ears: In-dash CD changer for 6 CDs with MP3 capability and RDS radio. Compatible with smart BlueTooth hands-free system, smart accessories for sound system and portable smart navigation system.

> 7 **smart accessories for sound system:**

Perfectly tuned to all smart radios and interior acoustics, creating a fuller hi-fi sound. With two tweeters and mid-range speakers, with the option of adding a subwoofer.

> **Subwoofer:**

(Not shown). Active subwoofer with integrated 2-channel amplifier gives the loudspeakers a powerful bass boost. Easy to connect, it is the icing on the cake of the smart sound system.

>> Functional/electrical equipment.

> 1

> 2

> 1 Dashboard instruments:

Fuel-efficient yet always on time: Cockpit clock and rev counter for that unmistakable look – a must for the smart fortwo. Both instruments swivel so that they are always in your field of vision.

> Stationary heater basic kit:

(Not shown). Gives you the option of warming up the interior before you get into the car with pleasantly warm seats and clear windows. As well as this, the stationary heater increases the life of the engine by avoiding cold starts.

> 2 Stationary heater digital timer:

Guarantees a warm welcome. The digital timer makes it child's play to pre-programme the starting time of the stationary heater – another good reason to look forward to getting into your smart fortwo.

> 3

> 4

> 3 **3-spoke leather sports steering wheel with steering wheel gearshift:**

Covered with fine leather for a good grip. The shift paddles allow smart drivers to shift gears Formula One-style as well as increasing safety, because both hands remain on the wheel while changing gear.

> **Two-tone fanfare horn:**

(Not shown). Gets the message across loud and clear in every situation!

> **Audio switch box:**

(Not shown). Just the thing for technophiles who want to enjoy the smart BlueTooth hands-free system, smart MP3 interface and portable smart navigation system at the same time.

> 4 **softouch:**

Extra comfort in city traffic: Automatic gear programme in addition to the 5-speed manual transmission. Drivers can switch between manual and automatic mode at the touch of a button.

>> Dynamic response and safe driving:
Driving dynamics and safety.

>> Driving dynamics.

The right wheels make all the difference and the dynamic and exclusive smart alloy rims never fail to catch the eye. The choice is yours!

> 1 **9-spoke alloy wheels (15", design 2):** For tyres measuring 155/60 R15 (front) and 175/55 R15 (rear).

> 2 **5-spoke alloy wheels (16", design 4):** For tyres measuring 175/50 R16 (front) and 215/40 R16 (rear).

> 3 **6-spoke alloy wheels (15", design 5, chrome look):** For tyres measuring 175/55 R15 (front) and 195/50 R15 (rear). Optionally available in titanium silver (design 5, not shown).

> 4 **12-spoke alloy wheels (15", design 1):** For tyres measuring 155/60 R15 (front) and 175/55 R15 (rear).

> 5 **6-spoke alloy wheels (15", design 3):** For tyres measuring 175/55 R15 (front) and 195/50 R15 (rear).

> 6 **Wheel trims:**
Enhance the standard steel wheels and protect the wheel fastening bolts from the elements. Not just ideal for winter wheels.

>> Safety.

> 1

> 2

> 1 Safety Plus package:

As well as an emergency jacket, first aid kit, hazard triangle, torch, ice scraper, smart umbrella and a box with replacement lamps, this package includes an extra storage compartment into which the vehicle manual fits perfectly.

> 2 Hazard triangle, emergency jacket, first aid kit:

There when you need them: Designed for maximum convenience and always at hand when they are needed. All three elements are included in the safety plus package and are also available individually.

> 3

> 3 **Breakdown kit:**

An innovative breakdown kit enables the provisional repair of punctured tyres. The tyre sealant and compressor can be used quickly, easily and cleanly without the need to remove the wheel.

> 4

> 4 **Anti-theft protection for alloy wheels and steel wheels:**

Effective anti-theft protection for all wheel types – after all, such attractive rims are very sought-after. The set includes one bolt per wheel, a security spanner and a code card.

> 5

> 5 **Snow chains:**

Quick and easy to mount, these perfectly fitting chains are designed with maximum driving safety in mind. Conveniently stowed away in a waterproof transport bag.

**>> My taste is passionate, yet simple:
Nothing but the best. BRABUS accessories.**

>> BRABUS accessories.

> 1 BRABUS front spoiler:

Lends the smart fortwo a more dynamic appearance and improved driving properties by reducing the front axle lift force. Perfectly tailored to the smart styling, the front spoiler can be painted in all bodypanel colours.

> 2 BRABUS rear apron:

Provides a cutout for the BRABUS sports exhaust system and adds a sporty finish to the rear section. Comes in two variants: Black grained or to be painted in the colour of the car.

> 3

> 4

> 5

> 6

> 3 **BRABUS logo for fuel filler flap:** Gleaming black and bearing the BRABUS emblem: The silver double B.

> 4 **BRABUS sports exhaust system:** (Incl. catalytic converter for 52 kW/ 62 kW petrol engine, 33 kW diesel engine). A treat for the eyes and ears. With two 76 mm centrally positioned chrome-plated end pipes. Can only be fitted in conjunction with the BRABUS rear apron.

> 5 **BRABUS side skirts:** Add a sporty touch and enhance the striking appearance of the tridion safety cell. Can be painted in all bodypanel colours.

> 6 **BRABUS light package for side skirts:** Provides optimum lighting when getting in and out of the car. Linked to the interior lighting and only works when the ignition is switched off.

> **BRABUS additional double headlamps:** (Not shown). Integrated in the front apron, these combine the typical BRABUS design with daytime running lights and front fog lights, helping you to see and be seen more effectively.

> 7

> 8

> 9

> 7 **BRABUS Monoblock A alloy wheels (16"):** The sporty 6-spoke rim comes in silver with large BRABUS lettering. For tyres measuring 175/50 R16 (front) and 215/40 R16 (rear).

> 8 **BRABUS Monoblock VI alloy wheels (16"):** The elegant silver six double-spoke rim is front-polished. For tyres measuring 175/50 R16 (front) and 225/40 R16 (rear) incl. wider rear wheel arches.

> 9 **BRABUS Monoblock VI alloy wheels (16/17"):** Designed in elegant silver, this six double-spoke rim is front-polished. For tyres measuring 175/50 R16 (front) and 225/35 R17 (rear) incl. wider rear wheel arches.

> 10

> 11

> 10 **BRABUS sports suspension:** Enables the chassis to be lowered by approx. 15 mm. Optimised appearance, roadholding and cornering stability. For enhanced driving dynamics, improved tracking and greater safety reserves.

> 11 **BRABUS rear track enlargement:** Ensures that even wheels with smaller dimensions can use the maximum track width. For a sportier look and improved roadholding (only possible for 15" wheels).

> 12

> 12 **BRABUS sound system:** High-power hi-fi sound: With amplifier for standard loudspeakers, additional subwoofer and tailored perfectly to smart radio systems and

interior acoustics. Cleverly and unobtrusively integrated under the floor mat in the passenger footwell. Only in conjunction with the smart sound system.

> 13

> 14

> 15

> 13 **BRABUS 3-spoke leather sports steering wheel:** Ergonomic design with a superb grip. With steering wheel gearshift for gear-changing in true Formula One-style. Also offers more control and active safety, since both hands remain on the wheel while changing gear.

> 14 **BRABUS gear knob:** Matt aluminium with leather appliqué lends the interior a more sporty and elegant touch – also goes perfectly with the BRABUS hand-brake handle.

> 15 **BRABUS hand-brake handle:** Made of solid, matt brushed aluminium – a pleasure to hold and to behold. Together with the leather effect sleeve, it enhances the sportiness and elegance of the interior.

> 16

> 17

> 18

> 16 **BRABUS sports pedals:**

Made of matt aluminium, the pedals enhance the sporty feel. Black rubber nubs on the pedals prevent slipping, thereby ensuring a precise response to the driver's commands and reactions.

> 17 **BRABUS ambient lighting:**

Unobtrusive yet highly practical illumination in the footwell in front of the driver and front passenger seat. Connected to the interior lighting, it switches on and off automatically.

> 18 **BRABUS velour floor mats:**

Protect the carpet from wet, dirt and wear – as well as enhancing the appearance of the interior. Not only extremely hard-wearing but also quick and easy to clean.

¹ Not in conjunction with glove compartment. ² Prerequisite: Left-hand drive vehicle. ³ Not in conjunction with luggage compartment cover. ⁴ Not in conjunction with protective divider plus. ⁵ Not in conjunction with boot tray. ⁶ Not in conjunction with net set for luggage compartment. ⁷ Expected availability in 4th quarter of 2007. ⁸ Not yet defined at time of going to press. ⁹ Expected availability in 3rd quarter of 2007. ¹⁰ Prerequisite: Factory-fitted fog lights. ¹¹ Prerequisite: Cable harness, basic rack. ¹² Prerequisite: Basic rack. ¹³ For coupé and cabrio. Prerequisite: Fitting materials for bodypanel freshen-up. ¹⁴ Prerequisite: Telephone console, smart radio 9 or smart radio 10, if applicable audio switch box. ¹⁵ Prerequisite: Car kit for the portable smart navigation system. ¹⁶ Prerequisite: Portable smart navigation system, smart radio 9 or smart radio 10, if applicable audio switch box. ¹⁷ Prerequisite: Factory-fitted provision for radio installation or smart radio 9 or smart radio 10, if applicable audio switch box. ¹⁸ Prerequisite: Factory-fitted provision for radio installation, not in conjunction with smart radio 10. ¹⁹ Prerequisite: Factory-fitted provision for radio installation, not in conjunction with smart radio 9. ²⁰ Prerequisite: Factory-fitted provision for radio installation or smart radio 9 or smart radio 10. ²¹ Plus software activation at the smart Center. ²² Required if two of the following elements are fitted at the same time: "BlueTooth hands-free system", "smart portable navigation system" and "smart MP3 interface". ²³ Without tyres. ²⁴ Prerequisite: smart BRABUS sports suspension, not available for cdi (33 kW), expected availability in 4th quarter of 2007. ²⁵ Only for front tyres: 155/60 R 15; rear tyres: 175/55 R 15. ²⁶ Prerequisite: smart fortwo coupé pulse or passion. For smart fortwo coupé pure on request from your smart Center. ²⁷ Prerequisite: BRABUS rear apron; for petrol engine (62 kW) expected availability from the end of the 2nd quarter of 2007, for petrol engines (52 kW) and diesel engine from the end of the 3rd quarter of 2007. ²⁸ Expected availability from 3rd quarter of 2007. ²⁹ Without tyres, prerequisite: BRABUS sports suspension, not available for cdi (33 kW), expected availability from 3rd quarter of 2007. ³⁰ The figures stated were determined in accordance with the stipulated measuring method (directive 80/1268/EEC in the currently applicable version). The figures do not refer to an individual vehicle and do not constitute part of the offer, but serve solely as a comparison between the different vehicle types. ³¹ The figures stated depend on the tyre dimensions. ³² Provisional figures.

Please note: changes may have been made to the products since this brochure went to press (01.01.2007). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by DaimlerChrysler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others.

For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest authorised smart Car Dealer.
