>> smartware collection 2006.

After many years of faithful service, you can return your smart to us for environmentally friendly disposal in accordance with the EU Directive on End-Of-Life-Vehicles\*. But that day lies a long way off.

\*Applies in accordance with the respective national statutory provisions. smart has fulfilled legal requirements for recyclable design for some years now. A network of collection points and disassembly workshops is available to receive end-of-life vehicles, where your vehicle can be recycled in an environmentally-friendly manner. At the same time, the possibilities for recycling vehicles and vehicle parts are continually being developed and improved, which means that smart will also continue to fulfil increased statutory recycling quotas in the future. Further information can be obtained by calling 00800 1 777 7777.
