>> It takes more than luck to be a star.

True stars really have to have that special something. Like the BRABUS range of accessories for the smart forfour, for instance. The most powerful engine ever to grace a smart – 90 kW¹⁾ – combined with an excellent power to weight ratio for breathtaking performance. Great styling and first-class roadholding. Eye-catching equipment features which you will still be admiring in years to come. Not to mention those around you...

■ **01. BRABUS rear apron:** If you always have a line of cars on your tail, you'll know they're admiring your rear view.

■ **02. BRABUS rear spoiler:** Positioned at the top for great aerodynamics – and looks good into the bargain.

■ **03. BRABUS sports rear muffer:** Has to be heard to be believed. With its two chrome-plated tail pipes, this is a veritable treat for the eyes and ears.

■ **04. BRABUS front spoiler:** Enhanced dynamics at the front. Striking design with a pair of wide grilles made of premium quality plastic.

■ **05. BRABUS side skirts.** Always at your side. These attractive side skirts underline the powerful appearance of the car.

■ **06. Set of BRABUS "Monoblock VI"**

wheels: Add a touch of style. These alloy rims lend the smart forfour increased dynamics and stability. Including BRABUS aluminium valve caps²⁾.

■ **07. BRABUS power kit:** Packing a powerful punch: The power kit increases the power of the 80 kW (109 bhp)¹⁾ variant to 90 kW (122 bhp)¹⁾ at 6400 rpm¹⁾, the torque to 157 Nm¹⁾ at 3900 rpm¹⁾ and your driving pleasure to levels beyond your wildest dreams.

Not shown: ■ **BRABUS sports springs and BRABUS sports suspension:** The perfect springs for a lowered chassis. Making cornering an experience in itself.

1) In accordance with directive 1999/99/EC.

2) Also available separately.

After many years of faithful service, you can return your smart to us for environmentally friendly disposal in accordance with the EU Directive on End-Of-Life-Vehicles*. But that day lies a long way off.

*Applies in accordance with the relevant national regulations. For several years now, smart has fulfilled the legal requirements for design compatible with the requirements of recycling and reuse. A network of companies exists which will take back your old car and dismantle and recycle it in an environmentally friendly way. Ways of dismantling and recycling cars and parts are being continuously developed and improved and this means that smart will also comply with future increases to the statutory recycling rates in time. Call 00800 1 777 7777 for further information.
