1) Manufacturer's non-binding recommended retail price.  
2) On-the-road (OTR) charge consists of: Delivery to retailer and number plates £287, first registration fee £38, 12-month VED (rate subject to VED band).

**Notes on rates of Vehicle Excise Duty**  
Rates of VED are variable and depend on both the fuel type and the carbon dioxide (CO<sub>2</sub>) emissions of the vehicle. Petrol vehicles with CO<sub>2</sub> emissions of between 101 and 120g/km are classified in VED band AA and are charged at £75/year. Petrol vehicles with CO<sub>2</sub> emissions between 121 and 150g/km are classified in VED band A and are charged at £105/year. Please note that OTR prices quoted above are based on the wheel, tyre and gearbox types fitted as standard equipment. Specifying optional wheel, tyre or gearbox combinations may have an effect on the CO<sub>2</sub> emissions of your vehicle and therefore the OTR charge.

# smartware

A wide selection of smartware items is available at your local smart retailer. The full range is detailed in the current smartware catalogue or the appropriate price list.

1) BRABUS wider rear wheel arches required.  
2) BRABUS rear heat shield for sports exhaust required.

# smartcare

The products of the smartcare line are available individually or in practical smartcare boxes. Make your selection.

## Care boxes

### Care box

Hardwax, shampoo, stain remover, cockpit care, two cloths and a sponge

## Interior care

### Leather care

### Cockpit care

### Microfibre cloth

### Glass cleanser

### Stain remover

## External care

### Rim care

### Insect remover

### Car shampoo concentrate

### Hard wax

### Polish

## Paint sticks

### 2 layer paint stick set

for touching up smart tridion and bodypanels.

## Fluids

### Windscreen cleanser concentrate for summer

### Windscreen cleanser concentrate for winter

### Engine oil

# Warranty/service

smart offers you a 2-year warranty. Servicing is minimal and any repairs made are clearly documented in detail in service packages in order to keep the costs as transparent as possible.

## Warranty

On new cars: 2-year warranty with unlimited mileage as well as a 6-year anti-corrosion warranty.

## Warranty Plus

2 years' smartmove assistance breakdown cover.

## smart Service

### Quick.

The smart's modern diagnostic system ensures that any problems are quickly and accurately recognised. The car's modular construction and smart specific service packages enable your smart to be back on the road as soon as possible.

### Professional.

The high efficiency of the smart workshop is assured through highly qualified and professional employees, an unbureaucratic workshop organisation, price and cost transparency, clearly structured processes, and the use of state-of-the-art workshop technology.

### Economical.

Short stays in the workshop, favourable servicing and repair costs, state-of-the-art servicing periods and, on top of that, an advantageous insurance rating make the smart a vehicle with extremely low operating costs. This has been confirmed by independent experts.
