>>Urban chic.

smart fortwo edition urbanstyle.

## >>A strong character.

With an exclusive dark grey matt finish and a tridion safety cell in gleaming black, the edition urbanstyle immediately attracts attention with an exciting combination of matt and gleaming exterior surfaces. Six-spoke alloy wheels with a dark grey matt finish round off the striking exterior design concept to perfection.

The interior of the smart edition urbanstyle continues the sporty emphasis: black leather heated seats with yellow double stitching combined with trendy fabric inserts determine the ambience. The 3-spoke leather sports steering wheel with steering wheel gearshift is covered with extra-soft nappa leather. Matt silver details and yellow accents additionally underline the dynamic character of this limited special edition. An integrated audio and navigation system is included, with 5.8" touch screen, iPod®/USB connectivity, Bluetooth and radio/cd, in addition to the smart sound system.

The smart fortwo edition urbanstyle is available as a coupé with either 71 bhp mhd or 84 bhp turbo petrol engines. Contact your local Retailer for further information.

Cabrio version is available as a special order only

After many years of faithful service, you can return your smart to us for environment-friendly disposal in accordance with the EU Directive on End-of-Life Vehicles\* But that day lies a long way off. \*Applies in accordance with the relevant national regulations (except in Switzerland). smart cars have met the statutory regulations governing the suitability of their design for reuse and recycling for a number of years now. A network of vehicle take-back depots and dismantlers has been established which will process your vehicle in an environment-friendly manner. The ways in which both vehicles and parts can be recovered are subject to ongoing development and improvement. Consequently, smart will be able to comply with any future increases in the recycling quota within the stipulated time limits. For further information please call the smart Infocentre hotline.
