Little things for big moments.

BRABUS®

>> **Skaten** in Berlin.

>> Little things for big moments.

Across Europe in a smart in just one day?

You say it can't be done? We say it can. A warehouse and the creativity of the smart driver make it possible. Because newly in love he wants to lay the world at his loved one's feet. Then bring in a smart, which not only cuts a fine figure in front of the Berlin Wall, but also in front of the Colosseum in Rome.

From the weekly shopping trip to bicycles or shoe boxes – thanks to its accessories the smart adapts perfectly to every situation. And always ensures a happy end.

Some of the items of clothing and accessories shown on the following introductory pages come from the smart Collection. You will find further information on pages 36 to 39 and at www.smart.com

>> Petit-déjeuner à Paris.

> 1 Coolbag

For cool drinks in a smart design. The coolbag with a fabric covering can be connected to the 12V socket and has a capacity of 12 litres. An additional DC power converter is available for the coolbag for use at home on a 230V socket.

> 2 Multifunctional box

For a shopping trip or a picnic, the insulated box is just the thing for keeping food and drinks hot or cold. Thanks to its profiled lid, you can even put a drinks crates on top of the box. The luggage compartment can hold two of these boxes at the same time.

> 3 Luggage compartment management system

The order of the day. Thanks to the flexible luggage compartment management system with slot-in sections, the luggage compartment can be partitioned as required – shopping can also be secured in place using an elastic strap and a shopping (trolley) bag.

> 8

> 9

> 10

> 11

> 4 Protective divider plus, incl. luggage compartment cover

The clever 2-in-1 solution offers flexibility and safety. Thanks to the safety net with integrated luggage compartment cover, you can always make the most of the luggage compartment.

> 5 Luggage compartment cover, retractable incl. net bag

Offers protection from prying eyes and keeps cargo securely in the luggage compartment. Straightforward to attach and simple to operate with one hand. The integrated net bag for small items can be easily reached from the passenger compartment.

> 6 Boot tray

The waterproof, non-slip material protects the luggage compartment and its lining from wet, dirt and wear. Secured with Velcro fasteners and removable at any time as required.

> 7 Net set for luggage compartment

A net on the side wall and another for the floor of the luggage compartment for quickly securing loose items while keeping them in easy reach.

> 8 Luggage fastener

The foam-filled, elastic nylon snake adapts perfectly to the shape of the luggage and can be secured with a Velcro fastener, ensuring that luggage remains securely in place during braking and cornering.

> 9 Centre armrest

Even greater comfort, especially on long journeys. Simple to fold up.

> 10 Cabrio wind deflector

Largely eliminates wind turbulence during open-top driving by reducing the air flow in the whole interior. And makes open-top driving a real pleasure, even when outside temperatures are low.

> 11 Seat covers, set of 2

Optimised for your smart in terms of shape and design, they are not only stylish but also offer real protection: No more marks on the driver and passenger seats. In addition, the pockets on the rear of the backrest and to the footwell offer practical storage space.

> 12
> 13

> 14

> 15

> 16

> 17

> 18

> 12 Velour floor mats, set of 2

A perfect fit for the footwell. smart logo and silver looped edging are a perfect match for the interior colour scheme. A high-quality and hard-wearing highlight.

> 13 Door sills, set of 2

Create a good first impression: elegant door sills greet the driver and the passenger as soon as the door is opened. Made of brushed aluminium and featuring embossed smart lettering.

> 14 Smoker's kit

Includes an integrated ashtray and cigarette lighter. The ashtray is easy to remove for emptying and cleaning.

> 15 All-weather floor mats, set of 2

Made of dirt- and water-resistant rubber, these non-slip mats protect the carpet and are easy to clean. In addition, their shape and design fit perfectly with the interior of the vehicle.

> 16 Ribbed floor mats, set of 2

Polypropylene fibre for a pleasant, hard-wearing, carpet-like ambience. An inexpensive option for drivers who want everything.

> 17 CD holder, for 6 CDs

Safe storage of up to six CDs. The CD holder is located in direct reach of the driver and passenger. Simply unclip it and you can take your CDs with you wherever you go.

> 18 Cupholder

For securely holding two cups, cans or bottles of various sizes. In addition, larger bottles can be held in place with a folding holder beside the centre console.

> 19 Glasses compartment

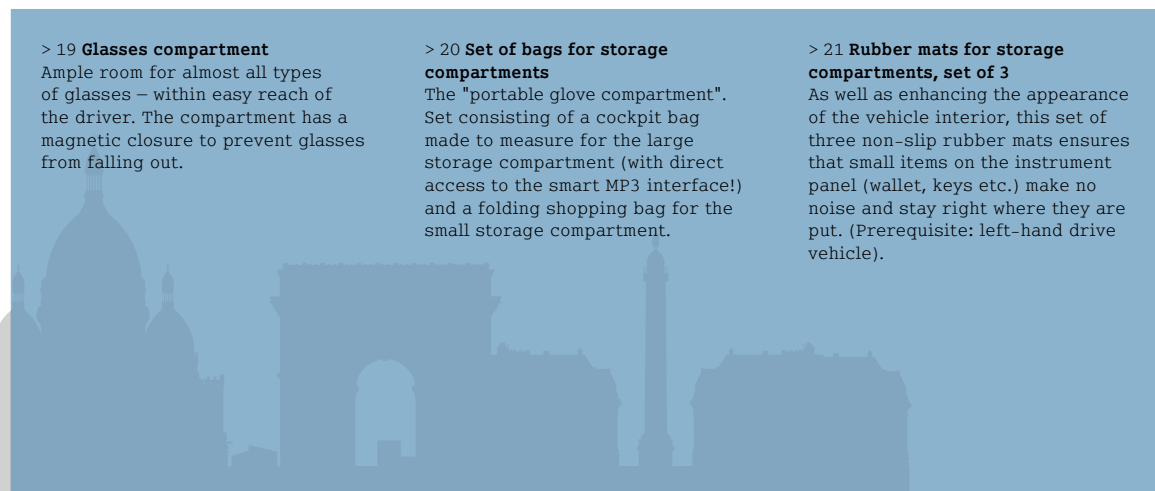

Ample room for almost all types of glasses – within easy reach of the driver. The compartment has a magnetic closure to prevent glasses from falling out.

> 20 Set of bags for storage compartments

The "portable glove compartment". Set consisting of a cockpit bag made to measure for the large storage compartment (with direct access to the smart MP3 interface!) and a folding shopping bag for the small storage compartment.

> 21 Rubber mats for storage compartments, set of 3

As well as enhancing the appearance of the vehicle interior, this set of three non-slip rubber mats ensures that small items on the instrument panel (wallet, keys etc.) make no noise and stay right where they are put. (Prerequisite: left-hand drive vehicle).

>> **Fietsen** in Amsterdam.

> 1

> 2

> 3

> 4

> 5

> 6

> 1/2/3/4/5/6 **smart art sticker**
Why not change your smart's outfit more often? From dynamic to playful or classic - give free rein to your imagination and give your smart's tridion safety cell a whole new look (applied at the smart center).

> 7 **smart design sticker**
Black (not shown) or silver, horizontal or vertical, one or several numbers - when it comes to making your smart fortwo even more individual, the choice is yours. Easy to apply, non-fading and car-wash proof.

> 7

> 8 **bodypanel fresh-up**

Unique to smart: treat your smart fortwo to a new exterior colour in no time (all current standard colours available). The bodypanels are exchanged by your smart center.

> 9 **Cape car cover**

The portable garage for your smart fortwo. The hard-wearing, water-repellent material and the perfect fit combine to protect your smart fortwo from the elements, extreme temperatures and dirt.

>> **smart rear-mounted rack system**

> **Basic rack**

Extremely versatile: various rack systems can be fitted for transporting different kinds of sporting equipment. Maximum comfort: the rear window can be opened even when the rack is loaded.

> 10 **Bicycle rack**

(Shown with basic rack). Child's play to fit to the basic rack: simply insert the bicycle into the rack system and secure it with the lockable frame holder. By adding another bicycle rack, there is also room for a second bicycle.

> 11 **Ski and snowboard rack**

(Shown with basic rack). Available separately – but can be combined (as shown), with space for two pairs of skis and a snowboard. On their own, the ski rack holds two pairs of skis and the snowboard rack fits two snowboards.

> 8

> 9

> 10

> 11

> 12

> 12

> 13

> 12 **Chrome package**

Small details, big impact: the highly polished chrome door mirror caps, radiator grille and tailgate trim immediately lend your smart fortwo a more elegant appearance.

> 13 **Mud flaps, set of 2**

Protect against dirt and scratches in the area around the side walls, rear and underbody and also protect traffic behind you from most road spray and chip damage. Tailored to the contours of the vehicle, retaining the sporty and compact look.

> 14 **Chrome-look indicators**

Mirrored indicator bulbs round off the chrome finish to perfection.

> 15 **Highly polished chrome-plated fog light rings, set of 2**

For that special shine – even when the skies are clear. As an ideal addition to the chrome package, the fog light rings add the perfect final touch to the look of your smart fortwo.

> 16 **Door handle recesses, high-gloss chrome-plated, set of 2**

Demonstrate attention to detail. With their precise fit these are a perfect complement to the chrome package and the chrome-plated fog light rings.

> 15

> 16

>> **Tomando un helado** en Barcelona.

>> Audio/telematics.

14 > 15

> 1 Audio system basic

With a USB and AUX interface for your MP3 or CD player, 2 integrated loudspeakers and an additional drawer below the operating unit, this audio system is anything but standard.

> 2 Audio system navigation/multimedia

This audio system is a real multitalent. An intuitive 16.5 cm touchscreen with slide-down mechanism, a CD/DVD player and 2 integrated loudspeakers are supplemented by practical state-of-the-art functions: navigation system with perspective map display, Bluetooth® hands-free system, various interfaces and much more.

* Product was photographed in a smart BRABUS.

> 3 **smart Bluetooth® hands-free system**

Fully integrated all-rounder sporting the smart design! Convenient voice control, wireless controller on the centre console, voice and sound output in excellent quality via the vehicle's loudspeakers – these are just some of the advantages of the hands-free system. And music played via Bluetooth® audio streaming or via the optional iPod® integration kit make it a real must-have.

> 4 **Optional iPod® integration kit for the smart Bluetooth® hands-free system**

Turns your hands-free system into an extension of your iPod® and you into a mobile DJ! Thanks to the interface in the glove compartment, the click wheel controller and the familiar menu navigation on the display of the hands-free system, you'll use your iPod® on even the shortest journeys.

* Product was photographed in a smart BRABUS.

> 5

> 5 smart accessories for sound system

Perfectly tuned to all smart radios and interior acoustics, creating a fuller hi-fi sound. With two tweeters and mid-range speakers, with the option of adding a subwoofer.

> Subwoofer

(Not shown). Active subwoofer with integrated 2-channel amplifier gives the loudspeakers a powerful bass boost. Easy to connect, it is the icing on the cake of the smart sound system.

> 6 smart drive kit for the iPhone®, car kit

State-of-the-art functionality:

cradle + app = smart drive kit for the iPhone®. Download the smart drive app for the iPhone® from the App Store and turn your iPhone® into an online information and multimedia system. For example, the cradle then becomes a full Bluetooth® hands-free system, and if you extend the app by purchasing the navigation upgrade your iPhone® even becomes a navigation system.

As things stand at present both the cradle and the app are only available in the following countries: Germany, Austria, Switzerland, France, Italy, USA. Further countries are planned.

Please also see the information/footnotes on pages 36 to 39

> 6*

>> Functional/electrical equipment.

18 > 19

> 2

> 1 3-spoke leather sports steering wheel with steering wheel gearshift

Covered with fine leather for a good grip. The shift paddles allow smart drivers to shift gears Formula One-style as well as increasing safety, because both hands remain on the wheel whilst changing gear.

> 2 Dashboard instruments

Fuel-efficient yet always on time: cockpit clock and rev counter for that unmistakable look – a must for the smart fortwo. Both instruments swivel so that they are always in your field of vision.

> 3 softtouch, hardware

Extra comfort in city traffic: automatic gear programme in addition to the 5-speed manual transmission. Drivers can switch between manual and automatic mode at the touch of a button.

> Two-tone fanfare horn

(Not shown). Gets the message across loud and clear in every situation!

38.1 cm (15"), **design 4**, 1 wheel,
for front tyres: 175/55 R15; rear tyres: 195/50 R15.

> 11 **12-spoke alloy wheels**
38.1 cm (15"), **design 1**, set,
for front tyres: 155/60 R15; rear tyres: 175/55 R15.

> 12 **Wheel trim**, for 1 wheel
Enhances the standard steel wheel and protects the wheel fastening bolts from the elements. Not just ideal for winter wheels.

> 1*

> 2

> 3

> 1 **Safety Plus package**

As well as an emergency jacket, first aid kit, hazard triangle, torch, ice scraper, smart umbrella and a box with replacement lamps, this package includes an extra storage compartment into which the vehicle manual fits perfectly.

> 2 **Lamp box**

Did you know that daytime driving lights are mandatory in many countries? Make sure that you always have all the necessary lamps with you - neatly stored in a box.

> 3 **Hazard triangle, emergency jacket, first aid kit**

There when you need them: designed for maximum convenience and always at hand when they are needed. All three elements are included in the safety plus package and are also available individually.

> 4 **Breakdown kit**

An innovative breakdown kit enables the provisional repair of punctured tyres. The tyre sealant and compressor can be used quickly, easily and cleanly without the need to remove the wheel.

> 5 **Anti-theft protection for alloy wheels and steel wheels, set of 4**

Effective anti-theft protection for all wheel types - after all, such attractive rims are very sought after. The set includes one bolt per wheel, a security spanner and a code card.

> 6 **Snow chains, set of 2**

Quick and easy to mount, these perfectly fitting chains are designed with maximum driving safety in mind. Conveniently stowed away in a waterproof transport bag.

> 7 **Airbag-off switch**

Essential for all smart mums and dads. Switches off the passenger airbag and is therefore a prerequisite for using a backward-facing child seat. Switching off the airbag rules out any risk to your child through an inflating airbag.

* Product was photographed in a smart BRABUS.

> 4

> 5

> 6

> 7

>> Going out in London.

>> BRABUS interior.

28 > 29

> 1/2 **BRABUS handbrake handle**

Comes in two variants: solid brushed aluminium or leather with aluminium accents. Both offer a good grip and enhance the sportiness and elegance of the interior.

> 3 **BRABUS interior trims in carbon look, 8-part set**

For a sporty and exclusive interior ambience. The 8-part set consists of trims and covers for the dashboard instruments, instrument cluster, steering-column stalk, door handles and centre console.

> 4 **BRABUS gear knob**

Matt aluminium with leather appliqué lends the interior a more sporty and elegant touch – also goes perfectly with the BRABUS hand-brake handle.

> 5 **BRABUS sports pedals**

Made of matt aluminium, the pedals enhance the sporty feel. Black rubber nubs on the pedals prevent slipping, thereby ensuring a precise response to the driver's commands and reactions.

> 4

> 5

> 6 BRABUS velour floor mats, set of 2

Protect the carpet from wet, dirt and wear – as well as enhancing the appearance of the interior. Not only extremely hard-wearing but also quick and easy to clean.

> 7 BRABUS trim for seat console

Small but finely made: the high quality trim is tailored to the seat frame and BRABUS lettering adds the perfect final touch. The icing on the cake – it is primed and can be painted in any colour to match your smart.

> 6

> 7

> 1

> 1 **BRABUS front spoiler**

Lends the smart fortwo a more dynamic appearance and improved driving properties by reducing the front axle lift force. Perfectly tailored to the smart styling, the front spoiler can be painted in all bodypanel colours.

> 2 **BRABUS front flaps, set of 2**

Ideal in combination with the BRABUS front spoiler, the BRABUS front flaps give the vehicle an even sportier look. The material is rigid and custom-tailored and the high quality basecoat can be painted in any colour.

> 3 **BRABUS rear diffusor**

An even sportier finish for the lower rear-end section. An extremely dynamic trim as used in motorsport for the BRABUS sports exhaust or the standard smart exhaust system.

> 4 **BRABUS rear apron**

Provides a cutout for the BRABUS sports exhaust system and adds a sporty finish to the rear section. Comes in two variants: black grained or primed for painting in the colour of the car.

> 2

> 3

> 4

>> BRABUS exterior.

32 > 33

> 5 **BRABUS sports exhaust system**

The two large centrally positioned chrome-plated tailpipes look good and sound good – now that's an exhaust!

> 6 **BRABUS roof spoiler**

Elegantly elongates the roof line. Discreet spoiler, fitted on the tailgate, subtly accentuating the rear contours.

> 7 **BRABUS logo for fuel filler flap**

Gleaming black and bearing the BRABUS emblem: the silver double B.

> 8 **BRABUS side skirts**

Add a sporty touch and enhance the striking appearance of the tridion safety cell. Can be painted in all bodypanel colours.

> 9 **BRABUS light package for side skirts**

Provides optimum lighting when getting in and out of the car. Linked to the interior lighting and only works when the ignition is switched off.

> 1

> 2

> 3

> 4

> 5*

> 6

> 7

> 8

> 1 **BRABUS additional double headlamps**

Integrated in the front apron, these combine the typical BRABUS design with daytime running lights and front fog lights, helping you to see and be seen more effectively.

> 2 **BRABUS ambient lighting**

Unobtrusive yet highly practical illumination in the footwell in front of the driver and passenger seat. Connected to the interior lighting, it switches on and off automatically.

> 3 **BRABUS 3-spoke leather sports steering wheel, with steering wheel gearshift**

Ergonomic design with a superb grip. With steering wheel gearshift for gear changing in true Formula One-style. Also offers more control and active safety, since both hands remain on the wheel whilst changing gear.

>> BRABUS functional/electrical equipment & driving dynamics.

34 > 35

> 4 BRABUS luggage compartment lighting, coupé

Unobtrusively integrated. Find what you are looking for in the luggage compartment even in the darkest of nights.

> 5 BRABUS LED third brake light

This small light is cleverly integrated in the air flow break-away edge of your smart: the icing on the cake of a customised rear end.

> 6 BRABUS LED daytime driving lights

Relevant to safety and perfectly tailored to the silhouette of the smart fortwo – to make sure that you are always seen.

> 7 BRABUS wheel bolt covers, set of 12

Outstanding design right down to the last detail: the wheel bolt covers for your smart BRABUS are made of black plastic and embossed with the BRABUS double-B – for uncompromising style.

> 8 BRABUS “Monoblock VII” package

How about a few extras? With this set consisting of large BRABUS “Monoblock VII” alloy wheels in silver (for front tyres: 175/50 R16, rear tyres: 225/35 R17), the BRABUS sports suspension (lowering the vehicle by approx. 10 mm) and paintable wider rear wheel arches you’re sure to draw admiring glances.

> 9/10/11 BRABUS “Monoblock VII” alloy wheel

38.1 cm (15”), 1 wheel, for front tyres: 155/60 R15; rear tyres: 175/55 R15.

The new exclusive trendy alloy wheels from BRABUS offer even more opportunities for individualisation. Dynamic and sporty: choose between the colour variants “bicolour” silver/high-sheen (> 9), black/high-sheen (> 10) or deep black (> 11)

> BRABUS sports suspension

(Not shown). Enables the chassis to be lowered by approx. 10 mm. Optimised appearance, roadholding and cornering stability. For enhanced driving dynamics, improved tracking and greater safety reserves.

> Please request the **current smart collection brochure** from your smart center.

Please note: changes may have been made to the products since this brochure went to press August 2010. The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others.

For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest smart center.
