>> Interior.

> 1

> 2

> 3

> 4

> 5

> 6

> 1 Velour floor mats:

A perfect fit for the footwell, smart logo and silver looped edging are a perfect match for the interior colour scheme. A high-quality and hard-wearing highlight.

> 2 Ribbed floor mats:

Polypropylene fibre for a pleasant, hard-wearing, carpet-like ambience. An inexpensive option for drivers who want everything.

> 3 All-weather floor mats:

Made of dirt- and water-resistant rubber, these non-slip mats protect the carpet and are easy to clean. In addition, their shape and design fit perfectly with the interior of the vehicle.

> 4 Door sills:

Create a good first impression: Elegant door sills greet the driver and the passenger as soon as the door is opened. Made of brushed aluminium and featuring embossed smart lettering.

> 5 Cupholder:

For securely holding two cups, cans or bottles of various sizes. In addition, larger bottles can be held in place with a folding holder beside the centre console.

> 6 **Glasses compartment:**
Ample room for almost all types of glasses – within easy reach of the driver. The compartment has a magnetic closure to prevent glasses from falling out.

> 7 **Set of bags for storage compartments:** The “portable glove compartment”. Set consisting of a cockpit bag made to measure for the large storage compartment (with direct access to the smart MP3 interface!) and a folding shopping bag for the small storage compartment.

> 8 **CD holder:**
Safe storage of up to six CDs. The CD holder is located in direct reach of the driver and passenger. Simply unclip it and you can take your CDs with you wherever you go.

> 9 **Smoker's kit:**
Includes an integrated ashtray and cigarette lighter. The ashtray is easy to remove for emptying and cleaning.

> 10 **Rubber mats for storage compartments:** As well as enhancing the appearance of the vehicle interior, this set of three non-slip rubber mats ensures that small items on the instrument panel (wallet, keys etc.) make no noise and stay right where they are put. (Prerequisite: Left-hand drive vehicle).

> 11 **Cabrio wind deflector:**

Largely eliminates wind turbulence during open-top driving by reducing the air flow in the whole interior. And makes open-top driving a real pleasure, even when outside temperatures are low.

> 12 **Protective divider plus (incl. luggage compartment cover):** The clever 2-in-1 solution offers flexibility and safety. Thanks to the safety net with integrated luggage compartment cover, you can always make the most of the luggage compartment.

> 13 **Boot tray:** The waterproof, non-slip material protects the luggage compartment and its lining from wet, dirt and wear. Secured with Velcro fasteners and removable at any time as required.

> 14 **Luggage compartment cover (retractable incl. net bag):** Offers protection from prying eyes and keeps cargo securely in the luggage compartment. Straightforward to attach and simple to operate with one hand. The integrated net bag for small items can be easily reached from the passenger compartment.

> 15

> 15 **Coolbag:**

For cool drinks in a smart design. The coolbag with a fabric covering can be connected to the 12V socket and has a capacity of 12 litres. An additional DC power converter is available for the coolbag for use at home on a 230V socket.

> 16

> 16 **Net set for luggage compartment:**

A net on the side wall and another for the floor of the luggage compartment for quickly securing loose items while keeping them in easy reach.

> 17

> 17 **Luggage fastener:**

The foam-filled, elastic nylon snake adapts perfectly to the shape of the luggage and can be secured with a Velcro fastener, ensuring that luggage remains securely in place during braking and cornering.

> 18

> 18

> 18

> 18 **Luggage compartment management system:**

The order of the day. Thanks to the flexible luggage compartment management system with slot-in sections, the luggage compartment can be partitioned as required – shopping can also be secured in place using an elastic strap and a shopping (trolley) bag.

> 19

> 19 **Multifunctional box:**

For a shopping trip or a picnic, the insulated box is just the thing for keeping food and drinks hot or cold. Thanks to its profiled lid, you can even put a drinks crates on top of the box. The luggage compartment can hold two of these boxes at the same time.

**>> Sporty, individual and open
for all possibilities:**
The exterior.

>> Exterior.

> 1

> 4

> 2

> 3

> 4

> 5

> 1 Cape car cover:

The portable garage for your smart fortwo. The hard-wearing, water-repellent material and the perfect fit combine to protect your smart fortwo from the elements, extreme temperatures and dirt.

> 2 Chrome-look indicators:

Mirrored indicator bulbs round off the chrome finish to perfection.

> 3 Highly polished chrome-plated fog light rings:

For that special shine – even when the skies are clear. As an ideal addition to the chrome package, the fog light rings add the perfect final touch to the look of your smart fortwo.

> 4 Chrome package:

Small details, big impact: The highly polished chrome door mirror caps, radiator grille and tailgate trim immediately lend your smart fortwo a more elegant appearance.

> 5 smart design sticker:

Black (not shown) or silver, horizontal or vertical, one or several numbers – when it comes to making your smart fortwo even more individual, the choice is yours. Easy to apply, non-fading and car-wash proof.

> 6

> 7

> 8

> 8

>> **smart rear-mounted rack system:**

> **Basic rack:**

Extremely versatile: Various rack systems can be fitted for transporting different kinds of sporting equipment. Maximum comfort: The rear window can be opened even when the rack is loaded.

> **6 Bicycle rack:**

(Shown with basic rack). Child's play to fit to the basic rack: Simply insert the bicycle into the rack system and secure it with the lockable frame holder. By adding another bicycle rack, there is also room for a second bicycle.

> **7 Ski and snowboard rack:**

(Shown with basic rack). Available separately – but can be combined (as shown), with space for two pairs of skis and a snowboard. On their own, the ski rack holds two pairs of skis and the snowboard rack fits two snowboards.

> **8 bodypanel fresh-up:**

Unique to smart: Treat your smart fortwo to a new exterior colour in no time (all current standard colours available). The bodypanels are exchanged by your smart center.

**>>I enjoy every minute at the wheel.
Because everything is easily accessible:
Audio/telematics & functional/electrical equipment.**

>> Audio/telematics.

> 1 smart Bluetooth® hands-free system: Fully integrated all-rounder sporting the smart design! Convenient voice control, wireless controller on the centre console, voice and sound output in excellent quality via the vehicle's loudspeakers – these are just

some of the advantages of the hands-free system. And music played via Bluetooth® audio streaming or via the optional iPod integration kit make it a real must-have.

> 2 Optional iPod® integration kit for the smart Bluetooth® hands-free system: Turns your hands-free system into an extension of your iPod and you into a mobile DJ! Thanks to the interface in the glove compartment, the click wheel

controller and the familiar menu navigation on the display of the hands-free system, you'll use your iPod on even the shortest journeys.

> 3

> **Cradle for hands-free system:**
(Not shown). Required if no dashboard instruments are fitted in your smart.

> **3 Portable smart navigation system II:** The new larger and higher contrast wide format touchscreen has an elegant and ultra-slim design. 2 or 3-dimensional map view and dynamic route guidance by TMC

will take you straight to your destination almost anywhere in Europe. Directions are given via the vehicle's loudspeakers.

> 4

> **4 Telephone console:**
The ideal position for a mobile phone holder so that you can charge your mobile with the smart's 12V socket when you're on the road.

> 5

> 6

> 7

> 5 **smart radio 9:**

A full sound plus RDS technology and an MP3-compatible CD player. Compatible with all genuine smart telematics and audio products.

> **smart radio 10:**

(Not shown). smart radio 10 has all the basic features of smart radio 9 and offers even longer music enjoyment with an additional in-dash CD changer for 6 CDs.

> 6 **smart accessories for sound**

system: Perfectly tuned to all smart radios and interior acoustics, creating a fuller hi-fi sound. With two tweeters and mid-range speakers, with the option of adding a subwoofer.

> **Subwoofer:**

(Not shown). Active subwoofer with integrated 2-channel amplifier gives the loudspeakers a powerful bass boost. Easy to connect, it is the icing on the cake of the smart sound system.

> 7 **smart MP3 interface:**

For uncompromised flexibility: An easy way to listen to your preferred audio sources, e.g. MP3 player, walkman or discman. Volume and sound can be controlled conveniently via the smart audio system.

>> Functional/electrical equipment.

> 1

> 1 Dashboard instruments:

Fuel-efficient yet always on time: Cockpit clock and rev counter for that unmistakable look – a must for the smart fortwo. Both instruments swivel so that they are always in your field of vision.

> 2

> 2 3-spoke leather sports steering wheel with steering wheel gearshift:

Covered with fine leather for a good grip. The shift paddles allow smart drivers to shift gears Formula One-style as well as increasing safety, because both hands remain on the wheel whilst changing gear.

> 3

> Audio switch box:

(Not shown). Just the thing for technophiles who want to enjoy the smart Bluetooth® hands-free system, smart MP3 interface and portable smart navigation II system at the same time.

> 3 softouch:

Extra comfort in city traffic: Automatic gear programme in addition to the 5-speed manual transmission. Drivers can switch between manual and automatic mode at the touch of a button.

**>>Dynamic response and
safe driving:**
Driving dynamics and safety.

>> Driving dynamics.

The right wheels make all the difference and the dynamic and exclusive smart alloy rims never fail to catch the eye. The choice is yours!

> 1 **9-spoke alloy wheels (15", design 2):** For tyres measuring 155/60 R15 (front) and 175/55 R15 (rear).

> 2 **6-spoke alloy wheels (15", design 5, chrome look):** For tyres measuring 175/55 R15 (front) and 195/50 R15 (rear).

> 3 **6-spoke alloy wheels (15", design 5):** For tyres measuring 175/55 R15 (front) and 195/50 R15 (rear).

> 4 **6 double-spoke alloy wheels (15"): For tyres measuring 175/55 R15 (front) and 195/50 R15 (rear).**

> 5

> 6

> 7

> 5 **12-spoke alloy wheels (15", design 1):** For tyres measuring 155/60 R15 (front) and 175/55 R15 (rear).

> 6 **6-spoke alloy wheels (15", design 3):** For tyres measuring 175/55 R15 (front) and 195/50 R15 (rear).

> 7 **Wheel trim for steel wheel:** Enhances the standard steel wheel and protects the wheel fastening bolts from the elements. Not just ideal for winter wheels.

>> Safety.

> 1

> 2

> 3

> 4

> 1 Safety Plus package:

As well as an emergency jacket, first aid kit, hazard triangle, torch, ice scraper, smart umbrella and a box with replacement lamps, this package includes an extra storage compartment into which the vehicle manual fits perfectly.

> 2 **Hazard triangle, emergency jacket, first aid kit:** There when you need them: Designed for maximum convenience and always at hand when they are needed. All three elements are included in the safety plus package and are also available individually.

> 3 **Breakdown kit:** An innovative breakdown kit enables the provisional repair of punctured tyres. The tyre sealant and compressor can be used quickly, easily and cleanly without the need to remove the wheel.

> 4 **Anti-theft protection for alloy wheels and steel wheels:** Effective anti-theft protection for all wheel types – after all, such attractive rims are very sought-after. The set includes one bolt per wheel, a security spanner and a code card.

> 5

> 5 **Snow chains:**

Quick and easy to mount, these perfectly fitting chains are designed with maximum driving safety in mind. Conveniently stowed away in a waterproof transport bag.

> 6

> 6 **Lamp box:**

Did you know that daytime driving lights are mandatory in many countries? Make sure that you always have all the necessary lamps with you - neatly stored in a box.

> 7

> 7 **Airbag-off switch:**

Essential for all smart fortwo driving mothers. And of course the fathers too. You can disable the front passenger airbag with this switch. It is therefore a prerequisite for using a rear-facing child seat.

By switching off the airbag, you prevent that your child is endangered when the front passenger airbag is deployed.

**>>My taste is passionate, yet simple:
Nothing but the best.
BRABUS accessories.**

>> BRABUS accessories.

> 1 BRABUS front spoiler:

Lends the smart fortwo a more dynamic appearance and improved driving properties by reducing the front axle lift force. Perfectly tailored to the smart styling, the front spoiler can be painted in all bodypanel colours.

> 2 BRABUS rear apron:

Provides a cutout for the BRABUS sports exhaust system and adds a sporty finish to the rear section. Comes in two variants: Black grained or to be painted in the colour of the car.

> 3 BRABUS sports exhaust system:

(Incl. catalytic converter for 52 kW/ 62 kW petrol engine). A treat for the eyes and ears. With two 76 mm centrally positioned chrome-plated end pipes.

> 4

> 5

> 4

> 6

> 4 **BRABUS rear diffuser:**

An even sportier finish for the lower rear-end section. An extremely dynamic trim as used in motorsport for the BRABUS sports exhaust or the standard smart exhaust systems.

> 5 **BRABUS side skirts:**

Add a sporty touch and enhance the striking appearance of the tridion safety cell. Can be painted in all bodypanel colours.

> 6 **BRABUS light package for side**

skirts: Provides optimum lighting when getting in and out of the car. Linked to the interior lighting and only works when the ignition is switched off.

> 7 **BRABUS logo for fuel filler flap:** Gleaming black and bearing the BRABUS emblem: The silver double B.

> 8 **BRABUS roof spoiler:** Elegantly elongates the roof line. Discreet spoiler, fitted on the tailgate, subtly accentuating the rear contours.

> 9 **BRABUS additional double headlamps:** Integrated in the front apron, these combine the typical BRABUS design with daytime running lights and front fog lights, helping you to see and be seen more effectively.

> 10

> 11

> 12

> 10 **BRABUS LED daytime driving lights:** State-of-the-art and perfectly tailored to the silhouette of the smart fortwo: BRABUS LED daytime driving lights. Relevant to safety and attractive – to make sure that you are always seen.

> 11 **BRABUS LED third brake light:** This small light is cleverly integrated in the air flow break-away edge of your smart: The icing on the cake of a customised rear end.

> **BRABUS sports suspension:** (Not shown). Enables the chassis to be lowered by approx. 10 mm. Optimised appearance, roadholding and cornering stability. For enhanced driving dynamics, improved tracking and greater safety reserves.

> 12 **BRABUS "Monoblock VI" package (16"/17"):** BRABUS "Monoblock VI" alloy wheels (16"/17") incl. BRABUS sports suspension (lowering the body by approx. 10 mm) and wider rear wheel arches, primed; (for front tyres: 175/50 R 16; rear tyres: 225/35 R 17).

> 13

> 13

> 13

> 13

> 14

> 13 **BRABUS interior trims in carbon look:** For a sporty and exclusive interior ambience. The 8-part set consists of trims and covers for the dashboard instruments, instrument cluster, steering-column stalk, door handles and centre console.

> **BRABUS sound system:** (Not shown). High-power hi-fi sound: With amplifier for standard loudspeakers, additional sub-woofer and tailored perfectly to smart radio systems and interior acoustics. Cleverly and

unobtrusively integrated under the floor mat in the passenger footwell. Only in conjunction with the smart sound system.

> 14 **BRABUS 3-spoke leather sports steering wheel:** Ergonomic design with a superb grip. With steering wheel gearshift for gear changing in true Formula One-style. Also offers more control and active safety, since both hands remain on the wheel whilst changing gear.

> **BRABUS luggage compartment lighting, coupé:** (Not shown). Unobtrusively integrated. Find what you are looking for in the luggage compartment even in the darkest of nights.

> 15

> 16

> 17

> 18

> 19

> 20

> 15 **BRABUS sports pedals:**

Made of matt aluminium, the pedals enhance the sporty feel. Black rubber nubs on the pedals prevent slipping, thereby ensuring a precise response to the driver's commands and reactions.

> 16 **BRABUS ambient lighting:**

Unobtrusive yet highly practical illumination in the footwell in front of the driver and front passenger seat. Connected to the interior lighting, it switches on and off automatically.

> 17 **BRABUS velour floor mats:**

Protect the carpet from wet, dirt and wear – as well as enhancing the appearance of the interior. Not only extremely hard-wearing but also quick and easy to clean.

> 18 **BRABUS gear knob:**

Matt aluminium with leather appliqué lends the interior a more sporty and elegant touch – also goes perfectly with the BRABUS hand-brake handle.

> 19/20 **BRABUS handbrake**

handle: Comes in two variants: Solid brushed aluminium or car leather with aluminium accents. Both offer a good grip and enhance the sportiness and elegance of the interior.

Please note: changes may have been made to the products since this brochure went to press 07/09. The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure has been compiled by Daimler AG of Germany and is distributed internationally. It provides a general indication of the range of models, features, optional extras and/or colours available in various countries. Some of the models, features, optional extras and/or colours may not be available in your country or may only be available in a different specification. Additionally some models, features, optional extras and/or colours may only be available in combination with others.

For current and more specific information in relation to the range of models, features, optional extras and/or colours available in your country, and their pricing, you should contact your nearest smart center.
