>>The new smart.

edition black & edition white

Rarely is a decision so black and white. But when it comes to the newest smart edition it is time to paint the city monochrome.

Pick your favourite body style: the iconic fortwo or the contemporary and practical forfour – fully loaded with additional features, effortlessly enhancing your driving experience.

- > **Add attitude** with the urban style package (lowered sports suspension, sports steering wheel, stainless steel pedals and chrome exhaust)
- > **Black is back** with the 16" 8-Y-spoke alloy wheels
- > **Never fear the road less travelled** with the 3D map navigation
- > **Embrace technology and connectivity** with the smart Media-System
- > **Diffuse the city** with automatic climate control

You can never have too much of a good thing, and with smart edition black and edition white you won't be disappointed. In fact, packed with 14 exclusive extra features* the smart forfour edition, for instance, offers a combined value of over £1,600 yet is only £895 above a standard prime forfour. Ask yourself the question: do you embrace your dark side or stand firmly in the light?

This high specification edition is a force to be reckoned with. See it for yourself at your local smart Retailer now.

*Certain features included in the edition black and edition white models are currently not available in the UK market.

¹Figures according to Directive 80/1269/EEC in the current applicable version. ²Electronically limited. ³All figures are based on a standard specification with smallest tyre size.

⁴The choice of wheels and transmissions may affect CO₂ emissions and corresponding Road Fund Licence. ⁵EUDC: extra-urban driving cycle. Testing procedures adhere to EU Directive 93/116. ⁶Figures in accordance with Directive 92/21/EC in the version 95/48/EC (mass in running order, fuel tank 90% full, with driver, 68 kg and luggage, 7 kg for vehicles with standard equipment. Optional equipment and accessories generally increase this figure, which means that the payload is reduced accordingly.)

⁷Whichever comes first, service interval shown via multifunction display. An oil change plus has to be carried out every 12,500 miles or once a year. ⁸Subject to full Terms and Conditions, dependent on date of registration, available upon request.

Figures are correct at the time of going to print. Please refer to the government website for latest data – <http://carfueldata.direct.gov.uk/>
