DA2	Premium Plus equipment line	—	●	●	●	1,345.00 1,120.83

All contents of the Comfort package

All contents of the Premium equipment line

Heated and electrically adjustable exterior mirrors

Ambient lighting: when driving at night, ambient lighting emphasises the stylish interior. Fibre optic cables in the door trim, centre console and footwell provide indirect, soft light

Headlamps with LED light guide: H4 halogen headlamps with Welcome-Function, fibre optic daytime running lamps, and direction indicators integrated into front bumper

Fog lamps with cornering function

LED tail lights in semi-LED technology

Rain/light sensor: rain sensor controls the windscreen wipers, adapting wipe intervals to amount of rainfall. The accompanying light sensor automatically activates driving lights

» Colour combinations.

For a harmonious look select the colour of the radiator trim in black, white, black-to-yellow, cool silver or graphite grey to match the bodypanel colour. If you choose a different bodypanel colour, co-ordinate the colour of the radiator trim with the colour of the tridion safety cell.

» **Warranty and servicing.****smart road assistance.**

With smart road assistance you can rest easy knowing your smart is in good hands in case of accident, breakdown, minor mishap, or vandalism. If your smart encounters trouble, you'll be able to get back on your way with smart road assistance thanks to benefits such as breakdown repair and towing, hotel accommodation and a replacement car.

All smarts registered in the UK on or after 01/11/2014, will benefit from smart road assistance for three years. After this, your smart road assistance will be automatically renewed for a year every time your smart goes in for an official smart service for up to 30 years.

Full flexibility. Not just in road traffic.

The new manufacturer's warranty without mileage restrictions from smart offers you a comprehensive scope of protection. We also offer smart Service Care, which is a service plan designed to take care of your servicing costs for the next two, three or four services. smart Service Care is a great way of keeping your smart in the best shape at a Retailer whilst keeping the costs as transparent as possible.

Warranty.

3 year warranty on new cars without mileage restrictions, for complete peace of mind. Corrosion cover warranty is 12 years on new cars.

smart Service Care.

With smart Service Care from £20.00 per month, it's easy to enjoy more flexible and affordable car servicing at your local smart Retailer.

Because Service Care guarantees the price of parts and labour for up to four services and cleverly protects you against any further inflationary rises, the price will never go up. It also includes regular service items like spark plugs, air filters and fuel filters.

2 services		3 services		
12 months	24 months	12 months	24 months	36 months
£40.00	£20.00	£60.00	£30.00	£20.00

Prices effective from 3 May 2016.

But that's not all.

You'll have a choice of easy ways to pay as well. You can either add your servicing costs to your monthly budget from £20.00, or pay all your servicing costs in one lump sum. Either way, you can relax knowing it's taken care of in the best way for you.

- Service Care guarantees the price you pay today is the price for the next two or three services, so what you pay won't go up even if inflation does.
- Monthly costs from £20.00 make it easier for you to budget because you can spread the cost of servicing.
- You'll be adding an official stamp to your service history. So when it comes to selling your pride and joy on, future owners can look for the manufacturers' seal of approval when they buy.
- You'll have the satisfaction of knowing that your car will be serviced by specially trained technicians, using the latest diagnostic equipment and smart GenuineParts.
- Fully transferable to a new owner if you sell your smart, providing the plan is paid for in one lump sum.

» smart cross connect app – navigation ready.¹**The right answer to everything.**

Keep your cool on city roads: the free smart cross connect app is available for iOS and Android operating systems – and offers all kinds of infotainment. Use the full functions of the smart cross connect app: in conjunction with the optional size-adjustable smartphone cradle that can be mounted on the radio you can connect and control your smartphone with the Audio-System via Bluetooth®. Plus with cross connect's downloadable maps, free 3D navigation is also included.

The features of the smart cross connect app at a glance:

Control of the main radio functions in the audio system

- › Music: audio streaming of personal music or large selection of international internet radio stations
- › Navigation ready: navigation incl. place of interest search
- › Telephone connectivity: access to personal contacts
- › Parking space finder, including special smart parking spaces
- › Indication of the nearest add-on partner
- › Car information: display of the key vehicle data, including speed, fuel consumption, G-force
- › Car Finder: parking space location is saved, remaining parking time is indicated
- › Trip Monitor: recording of most recent trips, including Car Score

¹Applicable to certain iOS and Android devices only.
